8:00 am -5:00 pm

**University of Phoenix
Albuquerque Campus
5700 Pasadena Ave. NE**

Every licensee must complete this class once every three years to ensure that New Mexico brokers have reviewed recent changes and possess the knowledge and skills required to successfully complete real estate transactions with the public.

Get up-to-date on broker duties and other NMREC Rules changes, plus recent legislative activity. Discuss the Real Estate Commission's office inspection procedures and disciplinary actions. Review key RESPA and fair housing issues. This class now requires that you pass a written online exam several days after the class, so plan ahead!

Bill Hallett, founder of Mandatory And More, has been licensed in New Mexico since 1978 and has held a New Mexico Real Estate Broker's License since 1981. He has held numerous volunteer positions and has been instructing REALTORS® since 1995.
